Founded in 1973

A studious ambience

The success of a course is surprisingly dependent on the community of purpose that stems from the ambitions and drive of every single participant. This strong conviction has always led OISE to target high flyers who will feed off each other to establish a serious learning environment, in which all the pupils are eager to reach a level of eloquence in English for themselves and their peers that exceeds all expectations.

OISE's pedagogy gives the students a fresh look at their established language learning beliefs. Rather than fruitlessly persevering with the acquisition of the core knowledge of the language, the elaborate suite of modules on an OISE course provides the students with a strategy to manipulate the language, whatever the live communicative situation (presentation, negotiation or social interaction) be it in a business or an academic context.

Tutorial™ Programmes: needs driven

Oxford - Cambridge - London - Bristol - Boston

When OISE was founded in Oxford 46 years ago, it delivered all of its courses by Tutorial. The Tutorial™ lesson, a teaching tradition of Oxford University, is one of the most effective methods of education. The entire course is conducted by means of individual tuition thus allowing the lessons to be adapted to the precise level and goals of each participant.

The cognitive perspective of students can vary considerably; this explains why the Tutorial is such a powerful learning environment: in the lessons, the teacher focuses on the one student, and can therefore tailor the pedagogic approach to the pupil's natural learning mindset.

The personal language programme

A language audit carried out at the beginning of each course determines the precise level, needs and objectives of the participant. This forms the basis of the student's personal learning programme.

A balanced timetable

Each participant is assigned a team of tutors who each specialise in a different aspect of the curriculum. The learner is exposed to a variety of pedagogic approaches as well as different personalities, voices, intonation and accents: a situation that reflects the diversity of expression in the wider world.

Specialisations

Tutorial tuition allows for the course to concentrate on a wide range of areas of expertise. The focus selected by students falls within 3 main categories:

- professional: business people often aim to familiarise themselves with specific work related terminology (e.g banking, pharmaceutical, legal, finance) or with management communication skills such as presenting, negotiating, public speaking, leading.
- academic: study skills is the most common request from university students. However the course can also prepare students for the language component of a specific examination in their own country, whatever the exam.
- achievement of an official certificate: for those wishing to take an exam, the lessons can be geared towards facing the exam with confidence. Typically IELTS, Cambridge exams, TOEFL, TOEIC, etc.

Support and concentration

The Tutorial lesson draws its effectiveness from the binary benefit of the tutor engagement with each individual pupil's learning, and the consistent level of concentration on the part of the student.

Oxford

Thoughts expressed with clarity.

A pivotal programme that addresses the concrete challenges of operating in English, be it to handle business issues, or to master academic competencies. OISE Oxford develops linguistic agility to tackle analytical academic, business and practical issues in English.

Situated amongst the prominent colleges and classical architecture of Oxford, OISE has been providing inspirational tuition for over 45 years. It specialises in delivering tailored programmes which reflect the intellectual rigour modelled on the University and, in the true spirit of academic pursuit, encourage learners to go beyond all expectations.

The serious and demanding environment of OISE Oxford combines cognitively challenging content with language tuition designed to meet the specific goals of each learner. The opportunity to meet and work with like-minded peers from around the world allows students to experience cross-cultural communication, perfect their universal skills in English and delve into world transcultural issues.

Pedagogic transmission

In contrast to the common belief that a language lesson needs to transmit knowledge (such as grammar rules, vocabulary, expressions, etc), OISE Oxford specialises in transmitting the know how to use the language to communicate productively in most life situation, be it work, academic, intellectual including socialising and networking.

The goal as a focus of the course

OISE Oxford designs personalised courses by reverse engineering from students' goals, ensuring that the tuition is relevant, meaningful and perfectly matched to their individual ambitions.

Learning takes place in situations which replicate closely the practical contexts in which the student has to perform, honing the right cognitive competencies in English. The outcome is a direct connection between the thought process and the fluidity of its communication.

The professional context

Designed to develop fluent language skills for everyday use within an international work environment, this course is ideal for both young professionals seeking to develop a business skillset and more experienced business people who wish to consolidate their professional identity in English.

The academic context

This course enables students to perform more accurately and confidently at school, college or university by developing their academic skills and their understanding of oral and written conventions in English-speaking academia.

English in the context of exam readiness

Exam candidates can increase their scores significantly and rapidly through personalised tuition that is geared towards the specifications of their test. Exposure to exam requirements with active practice on past papers familiarises learners with the format and enables them to perfect exam strategies.

Official certification

Students can study towards an exam such as University of Cambridge examinations, IELTS, TOEFL, BULATS, TOEIC, TOLES and GMAT in a small group of 2 - 4 students or individual sessions. The course ensures students develop the language and strategies required to perform in the exam. Progress is closely monitored via weekly full mock tests, and students can expect to be challenged and to become more autonomous learners through the structure and rigour of the course.

7.1 You have the following rights to cancel your Booking:

(a) you have a legal right to cancel your Booking within 14 calendar days of the date of your Booking, in which event We will, subject to clause 7.3, refund all of the Fees including the Deposit; or

(b) you may cancel your Booking at any time after the period of 14 calendar days referred to in clause 7.1(a) but before the Course has begun, in which event We will retain the Deposit and refund the balance of any Fees paid by you.

7.2 To exercise your rights to cancel under clause 7.1, you must inform Us of your decision by making a clear statement to this effect by completing the cancellation form on Our website or by contacting Us (see contact details below).

7.3 The law requires us to obtain your express consent to Us providing Our services where the starting date of the Course falls during the 14 day cancellation period referred to in clause 7.1(a). By making your Booking, you will be treated as giving this consent. You acknowledge that if you subsequently cancel, We will be entitled to deduct an amount from the Fees paid which is in proportion to the services that We have performed up to the date of your cancellation.

7.4 Once a Course has begun, you may cancel your Booking with immediate effect by giving Us written notice if:

(a) We break this contract in any material way and We do not correct or fix the situation within 30 days of you asking Us to do so in writing;

(b) We go into liquidation or a receiver or an administrator is appointed over Our assets; or

(c) We are affected by an Event Outside Our Control.

8. Our rights to cancel and applicable refund

8.1 We will not be liable or responsible for any failure to perform, or delay in performance of, any of Our obligations under these Terms that is caused by an Event Outside Our Control.

8.2 An Event Outside Our Control means any act or event beyond Our reasonable control including but not limited to strikes or other industrial action, civil commotion, terrorist attack or threat of terrorist attack, epidemic, adverse weather conditions or other natural disasters.

8.3 If an Event Outside Our Control takes place that affects the performance of Our obligations under these Terms:

(a) We will contact you as soon as reasonably possible to notify you; and

(b) We will, where possible, propose alternative arrangements (which may include alternative dates or venues) for the Course.

8.4 You may cancel your Booking if any alternative arrangements proposed by Us are unsuitable for any reason, in which case We will refund all Fees paid in advance for the Course.

8.5 We reserve the right to refuse your attendance on the course if you are suffering from any illness, medical condition or mental or physical disability which was not disclosed at the time of Booking.

9. How we may use your personal information

9.1 We will use the personal information (including sensitive information about your health, religious beliefs and practices or dietary requirements) that you provide to Us:

(a) to administer and provide Our Courses to you;

(b) to process payment in relation to any Booking;

(c) for internal training and monitoring purposes; and

(d) to inform you about similar Courses and other services that We provide, but you may stop receiving these at any time by contacting Us.

9.2 We will not give your personal data to any third party other than:

(a) as strictly necessary for Us to perform Our contract with you;

(b) to host families; or

(c) to the schools and offices within our group companies (which means our subsidiaries, our ultimate holding company and its subsidiaries, as defined in section 1159 of the UK Companies Act 2006) including those outside the European Union.

9.3 You have the right to access information held about you. Your right of access can be exercised in accordance with the Data Protection Act 1998. Any access request may be subject to a fee of £10 to meet Our costs in providing you with details of the information We hold about you.

9.4 We may wish to use photographs and audio visual media containing your image or likeness in our marketing and promotional materials and you hereby consent that We may do so in all and any media for such purposes. If you would prefer that We do not, you should notify Us by completing the relevant section of the registration form. We will also confirm this with you where we have a reasonable opportunity to do so. Copyright in any photographs or audio visual media continuing your image or likeness shall belong to Us and shall not entitle you to receive any royalties or other payments.

10. Specific terms for Young Learners (7-17 years)

10.1 We reserve the right to issue disruptive students with a warning letter and, if there is no improvement in behaviour, to send them home at their parents' or guardians' expense.

10.2 We further reserve the right to send home without a warning letter any student committing a serious offence, especially offences involving the police, including theft, smoking in any school building and the possession, purchase or consumption of alcohol or illegal drugs.

10.3 For children who will stay with host families, parents may indicate on the registration form whether they authorise their child to stay out in the evenings without supervision. Generally, this means that children aged 13 and under are not allowed out unsupervised after their evening meal; those aged 14 and above must return by 22:00. However, students must also respect the house rules of the host family, where these times may inconvenience the family. Children on residential courses have evening activities and are not allowed to stay out unsupervised. Please note We cannot be held responsible for any incident whilst the student is out unsupervised.

10.4 Students aged 18 and over must register for an adult school. We reserve the right to transfer an 18 year old from a young learners' Course.

11. Other important terms

11.1 These Terms set out the entire agreement between you and Us relating to your Booking.

11.2 We may transfer Our rights and obligations under these Terms to another organisation, and We will always notify you in writing if this happens, but this will not affect your rights or Our obligations under these Terms.

11.3 This contract is between you and Us. No other person shall have any rights to enforce any of its terms.

11.4 Each of the clauses in these Terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

11.5 If We fail to insist that you perform any of your obligations under these Terms, or if We do not enforce Our rights against you, or if We delay in doing so, that will not mean that We have waived Our rights against you and will not mean that you do not have to comply with those obligations. If We do waive a default by you, We will only do so in writing, and that will not mean that We will automatically waive any later default by you.

11.6 These Terms are governed by English law. You and We both agree to submit to the non-exclusive jurisdiction of the English courts.
